

**FOLKESTONE HARBOUR
COMPANY LIMITED**

NOTICE TO MARINERS
No 5 of 2017

BEACH WORKS FOLKESTONE

All mariners and port users should be aware that infrastructure works to the shingle beach between the rock groynes at the Mermaid café and the Harbour Arm will be taking place between the 1st March 2017 and 2nd June 2017.

During this period there will be excavation, transportation and profiling activities being undertaken by land based plant between the hours of 08:00 and 18:00. This plant will all be removed and parked off the beach at the end of each shift.

Mariners should be aware that any charted depth data available for this area will therefore be inaccurate between the commencement date of the shingle beach works and the end of this notice period when an updated survey will be undertaken.

Mariners should exercise extreme caution if approaching the beach between the two dates mentioned above.

Please contact the harbour manager should you have any queries regarding this.

Date: 1st March 2017
