

FOLKESTONE HARBOUR  
COMPANY LIMITED

**NOTICE TO MARINERS**  
**No 6 of 2016**

**PORT INFRASTRUCTURE WORKS**

Mariners are advised that extensive refurbishments will be taking place on the viaduct separating the outer and inner harbours. This work will involve scaffolding which will overhang the existing structure.

It is anticipated that this work will continue from the present date to 31<sup>st</sup> March 2017. Updates will be issued as and when required.

Mariners should exercise caution when navigating in the area of this viaduct.
