NOTICE TO MARINERS
No 7 of 2016

SEA CONTAINER AND STORM DEBRIS IN THE WATER
(EAST SIDE OF HARBOUR ARM)

Mariners are advised that a sea container and other storm debris have been washed into the water from the east side of the Harbour Arm.

Mariners should be aware that this could possibly have drifted outside of the Harbour Limits as no sightings have been made of the Sea Container. Until this is located and marked extreme caution should be taken when entering and leaving the harbour.
